Grove Springs Road, Town of Wayne in HS-1, Sec 3, A,4,ii, 6, Enlarge a non-conforming structure, setback less than 50'

Mr. Bissig desires to enlarge an existing garage on a pre-existing, non-conforming garage. He briefly described the project to the board.

As presented the project would need 15' of setback relief from the north property boundary.

Public Comment opened at 7:09 PM. No comments, letters or emails were offered on this project. Public Comments closed at 7:10 PM.

The Board considered the five review questions and found no issues with the request.

Mr. Ferris made a motion to grant the 15' of setback relief from the northern property line and allow for the expansion of a pre-existing, non-conforming structure (the garage) with the condition that it is to be built according to the plans submitted 12/19/2024.

Motion was passed by unanimous approval.
